ADDRESS 121 W. Fayette St.

Cause of death to be written in ink or indelibly pencilled, and without abbreviation. Carefully examined. Every question must be answered, or a satisfactory reason given for omission. Use only Standard Disease Nomenclature. Indefinite and unsatisfactory terms cannot be accepted. Certificate must be made out and signed by the physician who attended the deceased during last illness, and he must state the time he last saw the deceased alive. If he was not present at death, he must also state when the body was viewed by him after death. If death occurred without medical attendance, the coroner must be notified, and he will issue a certificate after viewing the body and making such investigation as may be necessary to obtain the information required. Physicians and others are requested to read carefully the instructions printed on this certificate, as only such information is required as is necessary for the identification of the deceased and the compilation of accurate statistics. Every certificate must be filled out in full, as imperfect certificates cannot be accepted. See instructions on back of certificate.

CAUSE OF DEATH must be filled in plainly and completely. Use no abbreviations or unknown terms. Name of disease alone is insufficient. Indefinite statements are unsatisfactory and may necessitate the holding of an inquest. Be particular and answer each question. If there was a contributory cause, it is important that it should be reported. See instructions on back of certificate.
